Eurotel

ET38NF

The Eurotel NF range from Versalift is the UK's market leading van and chassis mounted access platform. With a low weight to maximise load carrying capacity and compact dimensions thanks to versatile telescopic, plus flyboom configuration. It is the perfect partner for today's latest generation of light commercial vehicles.

Eurotel's are currently in use with most of the worlds leading contractors, utilities and rental companies so you can be confident of a proven, reliable service and an after sales support that is second to none.

Specialist applications of Eurotel models on Daimler Chrysler Unimogs and also Fourtec UK's Bremach Extreme, offering 4 x 4 full off road capacity. All platforms feature a one year parts and labour warranty, with a three year extended warranty and a range of Repair and Maintenance contracts available at extra cost.
